

## AFTER CARE !

## DO' S

1. Follow your tattoo artist's instructions.
2. Keep it clean using lukewarm water and fragrance-free antibacterial soap.
3. Pat it dry using a clean paper towel or air dry it.
4. Apply a thin layer of artist-recommended ointment.
5. Moisturize 2-3 times daily. Never overdo it.
6. Allow it to breathe after the first bandage is removed.
7. Wear loose clothing to prevent irritation.
8. Avoid direct sunlight during healing; use sunscreen after healing.
9. Stay hydrated and maintain a healthy lifestyle.

## DON' TS

1. Don't scratch, pick, or peel the tattoo.
2. Don't soak it in water (e.g. pools, baths) for 2-3 weeks.
3. Don't re-bandage unless instructed by your artist.
4. Don't use petroleum jelly or heavy creams.
5. Don't expose it to sweat and dirt.
6. Don't let pets touch or lick the tattooed area.
7. Don't clean it with alcohol or hydrogen peroxide.
8. Don't rush the healing process be patient.
